

FIMCIR/2018-19/028

8th January, 2019

To All FIMMDA Members

Madam / Sir,

**Introduction of New Training Program -
International Financial Reporting Standard-9 (IFRS-9) & an Introduction to Fundamental
Review of Trading Book (FRTB) on 14th & 15th February, 2019 (second batch)**

This refers to our previous circular no. FIMCIR/2018-19/025 dated 24th December 2018, announcing the launch of the new training program on IFRS & FRTB. In view of that the Indian banking industry, along with the rest of the financial system is scheduled to move into the new accounting framework - **IFRS 9** - with effect April 1, 2019 and considering the complexities involved in the new regime, FIMMDA Board has approved introduction of this program which would be suitable for the Treasury (Front & Back Offices), Risk Management and Accounts Departments.

In view of space constraints **only 20 participants** can be accommodated **per batch** and hence, it was decided to run the program thrice, viz. in January, February and March (before the Annual Closing of Accounts as on 31.03.2019 so that a core team gets ready to handle the migration process. The first of the two-day batch was announced for 21st to 22nd January 2019. Since this batch is already full we are now announcing the schedule for the **2nd batch** as under. The date of the **3rd batch will be announced in due course.**
