REQUEST FOR NOMINATING DELEGATES

FIMMDA and PDAI play important roles in knowledge and skill development of market participants of the Fixed Income, Money Markets and Derivatives segments on an ongoing basis. For achieving these objectives, FIMMDA-PDAI holds Annual Conference every year to discuss and deliberate topics of importance to the industry. We now plan to hold the 19th FIMMDA-PDAI Annual conference during April 28- May 2, 2018 at New York.

FIMMDA-PDAI annual conferences are always rich in content, quality and relevant to the industry. The panel discussions are lauded for the content and the relevance to the ongoing issues. The suggestions that emerge out of the conference have always been marked for further discussion/implementation. Markets continued to show volatility in this year due to various domestic and overseas developments. This year's panel discussions will revolve around the present **status of economy, the currently debated issue of linking credit rates to external benchmarks, various financial products that are yet to / struggling to take off and the regulatory changes in various spheres that are likely to cause concern among the market participants. We also propose to invite eminent personality/ies to address the delegates on important issues.**

This Conference will provide an opportunity for the market professionals from the Indian Fixed Income and Derivatives markets to discuss and interact with each other, distinguished speakers and panelists. It will help them gain insights into the emerging global regulations, risk management and opportunities while trading with best practices.

Like in the past, the regulators always emphasized upon attendance by the HEADS of TREASURIES of all Institutions, ably supported by their senior executives to make it more meaningful and beneficial for our markets. So, we request all the heads of treasuries to make their gracious presence felt at the conference.

We shall be sending Program Agenda for the Conference shortly, which will also be published on our website (www.fimmda.org).
